### Pro Business and Proactive

When you need professional help to launch, expand or relocate your business in New Jersey-or you could benefit from business consulting services for your small business-take action. Make a call to the NJ Business Action Center. They are your "one-stop" resource for everything you need to do business in New Jersey. The NJ Business Action Center encourages the optimum conditions for business growth and job creation in the State. Advocates are there to help businesses of all sizes save time and money by offering a variety of business-related activities, including:

- **Accessing Financial and Incentive Programs.** They will identify your business's eligibility for State programs and create a detailed proposal that will help you take action.
- **Navigating Permitting and Regulatory Processes.** Take advantage of our in-depth understanding of the State's permitting and regulatory processes to help assess issues, identify any challenges and formulate a sound and effective solution.
- **Offering Site Selection Services.** They can prepare a concise real estate listing of sites from our comprehensive database of NJ commercial properties that match your specifications.
- **Finding New Markets.** Their expertise and programs include trade consulting services and inward foreign direct investment services. We can help identify buyers, international markets and partners for joint ventures and strategic alliances.

**Are you a small business owner?** Whether you are launching a start-up or own a main street business, New Jersey is there for you! The Office of Small Business Advocacy can help you access a variety of resources tailored to the small business owner's needs.

**Services include:** mentoring assistance, advocacy services, labor and workforce issues, procurement assistance and export assistance.

Contact the Call Center at **866-534-7789** (Mon-Fri, 9am-5pm).
