Due consideration shall also be given to the recommendation of the Chief of Police and Mayor, which shall be based on the aforementioned statutory factors, and a review of the performance of the candidate(s) by the Chief of Police and the Mayor.

§69-16 Rules and Regulations for Conducting Tests.

[1997 Code §69-11; Ord. No. 19-00; Ord. No. 05-2008; Ord. No. 08-2008]

All tests for the position Sergeants shall be conducted in accordance with the following rules and regulations:

A. Promotion tests will be conducted on weekdays between the hours of 9:00 a.m. and 3:00 p.m.; preferably at a municipally owned building.

B. A notice of the test shall be posted on the Police Department bulletin board at least 30 days prior to the test date.

C. Any Officer who is eligible and wants to take the test must notify the Chief in writing at least seven days prior to the test date. The Chief shall provide a final list of all eligible applicants to the Mayor.

D. Any Officer scheduled to take a promotional test may be excused from duty for 24 hours prior to the time of the test without pay or compensatory time.

E. All employees who take the test will be allowed to see their own test and the grades received after the official results are announced and posted within 14 days of such posting.

F. Job performance evaluations will be completed by the Chief, prior to the examination. Evaluations will be compiled on the Supervisory Rating Form designed for evaluating Police Officers in determining point allocation. The Chief will base his evaluations of Officers by generally acceptable Police standards and comparison among other Officers taking the promotional examination. Standardly accepted valuation techniques, i.e., ranking paired comparisons, etc. shall be used in evaluating Officers.

G. The written and oral test will be given by the New Jersey Chief's Association Examination Committee. If for some reason the New Jersey Police Chief's Association cannot conduct the tests an impartial examination committee may be agreed upon by the Mainland PBA Local #77 and the City of Absecon to conduct the testing. It is the full responsibility of the Examination Committee to determine the content and confidentiality of the examination with the guidelines as provided for by these procedures.

H. At least two Chiefs or Examiners will be required to administer the written and oral tests. No one conducting the testing may reside or be employed in Atlantic County nor have any personal knowledge of any of the candidates taking the examination.

I. Scoring and grading of the written and oral tests results will be completed by the Examination Committee.

J. The Examination Committee will forward the test results and the grades received for the written and oral tests by sealed envelope to the Chief of Mayor within five working days of the completion of the examination.

K. The Mayor along with the Chief will take the test results which were forwarded by the Examination Committee and compute according to the point schedule established in these procedures, with all points earned in the written and oral portions. They will add those points due each Officer according to the schedule for job performance, seniority and college achievement. The complete total or accumulated points will be the Officer's score for promotional purposes.

L. Promotions must be made according to the standing of the Officers and in the exact order of the list established by the testing. A promotional list will be valid for a period of two years from the date of the test.

M. In the event that two or more candidates achieve the same final score, a resident shall be appointed rather than a nonresident. In the event that more than one achieving the same final score is a resident or in the event that all achieving the same final score average are nonresidents, the Chief and Mayor shall have the responsibility of selecting the Officer to be promoted from among those with the same final average score, in the event that the Chief and Mayor cannot agree on the selection as indicated above, then a Committee consisting of the Mayor, Chief and three City Council members of the Public Safety Committee shall make the selection of the Officer to be promoted.

N. For all promotions to the rank of Lieutenant and Captain, the Chief of Police will serve notice on each eligible candidate. Each eligible candidate shall inform the Chief of Police within 10 days of receiving such notice of their intent to participate in the promotion process. Failure to respond to such notice disqualifies that candidate from being considered for promotion.

O. Promotions to the rank of Lieutenant and Captain must be made according to the standing of the eligible candidates in the exact order of the list established by Chief of Police and Mayor. A promotional list will be valid for a period of two years from the date establishment.

P. Within ten (10) days of the decision of the Mayor and Council on a promotion, a candidate may file a written letter of appeal. Said letter must contain the reason(s) or justification(s) for an appeal and must be submitted to the Chief of Police and Mayor. The Mayor and the Chief of Police will assess the request, and make a determination of how the request will be addressed on a case-by-case basis.

BE IT FURTHER ORDAINED that:

1. Any Ordinance or parts of ordinances, which are inconsistent with the provisions of this Ordinance, are hereby repealed to the extent of any such inconsistency.
2. This ordinance shall take effect upon final adoption and publication as required by Law.
