

IMPORTANT Traffic Safety Changes: New All-Way STOP control for several intersections

ABOUT THE IMPROVEMENTS

The City is converting several intersections to **ALL WAY STOP INTERSECTIONS**. These changes are being made to:

- improve visibility
- enhance driver awareness
- promote safer travel throughout the community

Improvements will include adding new stop signs, reflective strips, and “ALL WAY” plaques.

Please see the graphic on the back of this page for the specific changes.

INTERSECTIONS

- Bayview Drive & Hobart Avenue
- Coolidge Avenue & Oakhurst Avenue
- New York Avenue & Fifteenth Street
- Highland Boulevard, Blenheim Avenue & St. Charles Avenue

Reminders:

- At each intersection, ALL directions will now have a STOP sign
- Watch for pedestrians & cyclists before entering the intersection
- Come to a complete STOP every time
- Expect an adjustment period as drivers get used to the new pattern

Please use caution when traveling through these intersections as a driver, pedestrian or cyclist.

Drivers should remain alert for the updated signage and adjust driving patterns accordingly.

IMPORTANT: Traffic Safety Changes

New 4-Way STOP control for several intersections

Remember to **STOP**:
See the diagrams below
