

ABSECON CITY HALL ACCESS IMPROVEMENTS

CONSTRUCTION FACT SHEET

ABOUT THE PROJECT

The City of Absecon is updating the access to City Hall to provide an ADA Accessible ramp at the main entrance. Improvements include:

- Constructing a new ADA accessible ramp outside and installing an ADA push button.
- Replacing concrete sidewalk, a section of brick pavers and installing new curb along the replaced sidewalk.
- Restoring striping and symbols for accessible spaces.

WHAT TO KNOW

- The current front entrance will be **closed** during construction.
- **All persons** must use the temporary access shown in the picture (on the back of this page)

PROJECT LOCATION

Main Entrance to the Absecon Municipal Complex

SCHEDULE/TIMING OF CONSTRUCTION

- Construction is planned to begin on **November 24, 2025** (*weather permitting*)
- **Anticipated Work:**
About 1 week for concrete work & additional week to complete the front entrance
