

Pedestrian Crosswalk Safety Improvements

The City of Absecon is adding raised crosswalks at various locations in the City to improve pedestrian safety. Raised asphalt crosswalks will be installed at the locations listed to the right.

During construction, roadways surrounding each work zone may be shut down from 7:00am to 3:30pm. Affected roads will be reopened at the end of the workday.

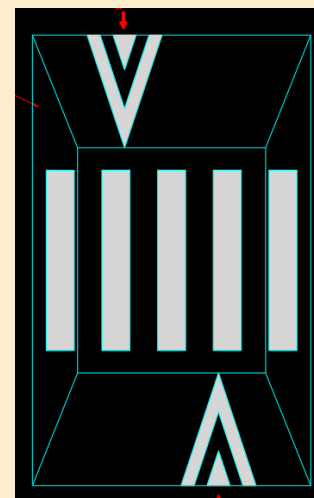

Construction is expected to begin the week of August 10, 2026, and will take two months.

Crosswalk Locations:

- Connecticut Ave & Oakhurst Ave
- Hobart Ave & Irelan Ave
- Seminole Ave & Woodcrest Ave (2 locations)
- Yarmouth Ave & Woodcrest Ave
- 10th Ave & Plymouth Landing Rd
- Morton Ave & Blenheim Ave
- Ritz Dr & New York Ave
- W. Church St & School St
- Reed Rd & Park Cir

This project is funded by the New Jersey DOT's Safe Streets to Transit Program.
