Once the Decision and Resolution is adopted by the Board, a signed copy will be provided to the applicant with a copy to the construction official and the City clerk. The following examples of conditions that will be included in the Decision & Resolution granting conditional approval:

PAYMENT OF TAXES AND FEES: The approval is conditioned upon payment of all taxes and assessments on the subject property and the payment of all application fees and escrows.

Acceptable performance guarantees and inspection escrows must be posted prior to the initiation of construction and an acceptance maintenance guarantee posted upon completion of the improvements. A pre-construction conference with the Engineer is required prior to the initiation of construction; if deemed necessary by the Engineer.

Section 224-176 of the Absecon Developmental Ordinance requires a performance guaranty for all improvements deemed necessary or appropriate. It is recommended that you have your design professional provide the Planning Board and City Engineer with an estimate of costs of improvements to review at the time a submission for final approval is made (if applicable). Also a draft of the form of performance guaranty should be submitted to the City Attorney at the time of submission of the final application for review.
